 Size 09 | L Size 10 | XL Size 11 | XXL

Packaging:

5 pairs per bundle
 12 bundles per case
 60 pairs in a case

Classification:

Features

- Designed to help sustain our planet
- Committed to achieving Net Zero
- Featuring Unigloves NitreGuard Technology
- Certified to OEKO-TEX® STANDARD 100
- 18 gauge sustainable seamless cut level D liner
- RCS (Recycled Claim Standard) Accredited
- Foam nitrile palm coating
- Touch screen compatible

Benefits

- Nitrex 265RP sustainable seamless liners are designed with 13% recycled polyester yarn* reducing our carbon footprint by 8.4g CO₂ equivalent / pair** The finished good uses plastic-free inner packaging
- Through Ecologi, we neutralise any emissions we cannot avoid related to this product, by funding projects that remove carbon directly from the atmosphere
- Unigloves NitreGuard Technology is awarded to gloves achieving a high-performance in the straight blade cut test
- Independently certified by OEKO-TEX®, tested for harmful substances
- Ultralight duty liner offers excellent dexterity and flexibility to reduce hand fatigue and protects against high level cut hazards
- The RCS is associated with products containing recycled materials
- The flexible foam nitrile coating is resistant to oils and grease, wicks moisture away from the palm of the glove ensuring grip is maintained and allows breathability to the back of the hand, making it very versatile

* based on size 10

** versus virgin material
